Some information provided by US Youth Soccer

The information in this document is NOT intended or implied to be a substitute for professional medical advice, diagnosis, or treatment. All content, including text, graphics, images, and information, are provided for general information purposes only. The knowledge and circumstances around COVID-19 are changing constantly and, as such, US Youth Soccer makes no representation and assumes no responsibility for the completeness of this information. Further, you should seek advice from medical professionals and/or public health officials in your area if you have specific questions. These guidelines address only early phases of return-to-play and additional guidelines may, or may not, follow as the COVID-19 pandemic continues to evolve.

Introduction of Principles and Responsibilities

Coach Responsibilities:

- Ensure the health and safety of the participants.
- Inquire how the athletes are feeling. Send home anyone you believe acts or looks ill.
- Follow all state and local health protocols and guidelines.
- Ensure all athletes have their own individual equipment (water, bag, shinguards etc.)
- Ensure coach is the only person to handle equipment (e.g. cones, disk, etc.) do not enlist parental or attendee assistance
- All training should be conducted outdoors and compliant with social distancing per state or local health guidelines.
- Always wear a face mask when within 6' of any participant, parents, coach, etc. even when not actively coaching.
- Coaches should maintain social distance requirements from players based on state and local health requirements.
- Have fun, stay positive— players and parents are looking for you for leadership.
- The use of scrimmage vest, or pinnies, is not recommended at this time.

Parent Responsibilities:

- Ensure your child is healthy, and check your child's temperature before activities with others.
- Consider not carpooling or very limited carpooling.
- Stay in car or adhere to social distance requirements, based on state and local health requirements.
- When at training, it is recommended to wear a mask if outside of car if you cannot maintain proper social distancing.
- Ensure child's clothing is washed after every training.
- Ensure all equipment (cleats, shin guards, etc.) are sanitized before and after every training.
- Notify Revolution United immediately if your child becomes ill for any reason (admin@revsunited.com)
- Do not assist your coach with equipment before or after training.
- Be sure your child has necessary sanitizing products with them at every training.

Player Responsibilities:

- Take your temperature daily and especially before activities with others.
- Wash hands thoroughly before and after training.
- Bring, and use, hand sanitizer with you at every training.
- It is recommended, but not required to wear mask before and immediately after all training.
- Do not touch or share anyone else's equipment, water, food, or bags.
- Practice social distancing, place bags and equipment at least 6' apart.
- Wash and sanitize all equipment before and after every training.
- No group celebrations, high-5's, hugs, handshakes, fist-bumps, etc.
- Follow all CDC guidelines as well as those of your local health authorities.
